Recommendation Letter

To Whom it May Concern

This is to testify that Vinesong is my favourite gospel and worship team. Their leader, Pastor John Watson is one of my pastors, ordained by me. He is a good and solid man of God and the team has ministered incredibly well in many churches of the Redeemed Christian Church of God all over the world.

I strongly recommend them to anyone who may need their services. I am sure you will not be disappointed.

God bless you.
