It is a pleasure and privilege to write this endorsement for Vinesong and in particular for my friend John Watson.

I have known John and the ministry of Vinesong for over 25 years and witnessed the significant influence they have had on people's lives through their music and worship. It's very seldom that a ministry will last this length of time with such continuing impact. It speaks of their integrity and focused approach to the calling of God, a rare commodity today.

Beyond what Vinesong offer in music and worship, there is much to receive from John's many years of ministry experience and wisdom. John Watson is both an exceptional man and an anointed minister of God, and I highly recommend him and the Vinesong team in your church. You will not be disappointed.
