Dear Pastor John,

LETTER OF APPRECIATION

On behalf of myself, the pastorate and the entire membership of *RCCG Victory House London*, we would like to thank you for blessing us with the gift of God in your life and ministry.

To say we have been blessed by your powerful ministration in this short period of time will be an understatement. Rather, our entire lives have been thoroughly transformed by the Lord Himself through you. We will surely never be the same again in our relationship with Him.

We pray that the Lord who has called you will never repent from His call upon your life. You will continue to grow from grace to grace, and from glory to glory. His counsel regarding you, your family and your ministry will come to pass in Jesus' name. Amen.

It is our desire to support and sow into your ministry knowing fully well that it is a very fertile ground. Please, find enclosed a token of our faith seed into your life and ministry.

May the Lord bless you, your family and your ministry in Jesus' name. Amen.

Yours in Him,

Pastor Leke Sanusi
